During the season of Lent, we have been following Jesus on a 40-day sojourn through the wilderness. Now, this April, we follow him on his journey to the cross, to death, and ultimately to resurrection and new life.

Holy Week begins with Palm-Passion Sunday. Jesus entered Jerusalem to the adulation of the crowds. But before the end of the week, the crowds had turned on him. This year, we hear Luke’s account of Jesus’s last week, his suffering, his Passion. *(continue on page 2)*

### WORSHIP IN APRIL *(continued from page 1)*

We'll be sharing our mid-week Holy Week services with some of our neighboring churches. Cornelius UMC hosted us at the beginning of Lent for Ash Wednesday. It's our turn to host for Maundy Thursday, as we remember how Jesus celebrated the Passover with his disciples and instituted the sacrament of Holy Communion. Rev. Linda Quanstrom will bring the message as we celebrate Jesus's last supper.

Hillsboro UMC will host a Good Friday service, along with several area congregations. As we remember Jesus's arrest, trial, crucifixion, and death, we will consider Jesus's seven last words from the cross.

But death does not have the final word. Through his death, Jesus conquered death, broke the power of sin and death, and brought forth new life. As we celebrate Easter, we consider the role of Mary Magdalene, the apostle Jesus sent to tell the story of his resurrection.

Finally, on the last Sunday of the month, we check in with the apostles, in the wake of Jesus's death and resurrection, as they seek to spread the good news, whatever the consequences may be.

I pray a blessing on each of you, as we celebrate this holy season, as we tell again the old, old story, of Jesus and his love.

*Blessings, Pastor David+*

## THREE CHURCH CO-OP UPDATE

Hello to all members of the Forest Grove United Methodist Church,

We are working alongside the members of the Cornelius UMC and Hillsboro UMC to share resources and opportunities for service. This cooperative program is intended to strengthen the connections among the churches. It is not intended to encourage any of the churches to close.

You will be receiving an email from [3churchcoop@hillsboro.org](mailto:3churchcoop@hillsboro.org) asking you to join an email group. Initially, emails will be a monthly calendar so that we can support each others events, but can also be an opportunity to better communicate across the three churches when needed. If you don't join the list, you will be left out of the fun. Emails will come from [3churchcoop@hillsboro.org](mailto:3churchcoop@hillsboro.org).

The Hillsboro UMC has graciously offered to let the three churches share a calendar and notification system so that we can communicate more efficiently.

Do not be put off by the message that you may see welcoming you to Hillsboro UMC. That is just welcoming you to the communication system.

Sincerely,

*Brian Hawkins & Betty Pritchard*

## CHURCH CORNER: Kathi Helwig

Kathi, veterinarian at Neighborhood Animal Hospital in South Salem, drives an hour and a quarter north most Sunday mornings to sing alto with our FGUMC choir. She and her artist husband Bill were married in our sanctuary within days of her graduating with her Doctor of Veterinary Medicine. Her sister, Alisa, and mom, Mary Jane, checked on the wedding cake and realized the baker had iced the wrong theme. Dismayed, the baker commanded, “Cancel all my appointments for the rest of the day,” and ripped into scraping off his mistaken creation so he could decorate as had been ordered for delivery that evening. But Kathi was happy. As she and Bill reached the foyer after the ceremony, she leaped for joy.

The new Helwigs moved into Washington. Son Chris and daughter Robyn came quickly. Bill worked nights so he could be the one to be with the kids while Kathi worked for a vet with a small-animal practice. Opportunities enticed them to come back to Oregon where Kathi set up her own practice. Bill continued with his commercial artistry, finally publishing his collection of wry and witty cartoons, (a)musings. Cancer stopped his pen, including all the maps and posters he made for our church. His service nearly filled our sanctuary and fellowship hall.

Such loving care makes the long commute worth it to our alto.

## Lay Leader Report

*Submitted by Chuck Pritchard, lay leader*

### April Fools !!! (But is anyone the fool ? )

Please let me explain by giving an example. I enjoy singing, but I'm not very good, so I like singing with others. I sing in the lower range while my wife sings in the upper and is very good. If we sing together I sing softer so we sound better but it's bland. So we sing different notes – better. With a third person it will sound better because we can hit three tones and have a chord and with a fourth voice we can emphasize a note and make it sound even better.

When we have even more voices (and a piano) we can harmonize and have a choir. When you have a group that can tease each other, we have the “FGUMC Choir and FUN Club”. (Come join us.)

It works the same way with the food donations, one person doesn't do much. Two or three can do a lot better, and with twenty or thirty you get a whole lot done. This is why we can and do get four projects accomplished with each donation of a single can or box of noodles, please keep it up.

For the month of April we are asking for jam, jelly and spaghetti, of course we can always use flour. One of the churches has mentioned they could use socks (if you have any new ones ) to give away. If they keep asking for more and more things, I will not have any room to write.

Don't worry, I can always make room.

*Thanks, Chuck*
